Race Quotes**

Winning horse: Turfiste

Winning jockey: Julien Leparoux

“He had the speed to be put into the race. We were right in front the whole time. He was a little rank, but he kept on going. He (King Puma) came at me late, but he didn’t even pass me after the wire. I think the track is playing fair; the filly from earlier (on the card) came from behind.”

2nd horse: King Puma

2nd trainer: Kelly Breen

“Track’s fast. I think at a mile and an eighth it’ll catch those guys a little bit. He made a nice effort. You know, they went 44 and 2 and he kept on going a little bit. Track’s fast.”
