**Winning horse: Just for Keeps**

**Winning jockey: Julien Leparoux**

“She won easy. She was trying to get out at the sixteenth pole. I’m not sure why. I think she was just goofing around but it was nothing bad. I had the best post, I had the outside, I had speed, all that made it easier.”

**Winning trainer: Mike Maker**

“Her best asset is her speed and we let her use it today. She has a habit of ducking in and it may have cost her a race or two, but fortunately we didn’t have to worry about that today. Two down and one more to go.”
