

Now FasTrack Rewards is even more rewarding

Since 2000, Turfway Park's FasTrack Rewards program has returned more than \$1 million in goods and services to its members. **Today your card can be even more valuable**, with rewards that recognize your level of play.

At its Gold, Platinum, and Elite levels, FasTrack Rewards gives you more than points to redeem at Turfway. **You also get perks and privileges around town.*** We're constantly negotiating to bring you even more rewards, so keep your card handy.

Check the grid below and see how much more your FasTrack Rewards membership can do for you now and in the future.
