About TwinSpires Tournaments

The long awaited, much requested, and enthusiastically developed new Tournaments engine at TwinSpires offers an enticing experience for the horse racing handicapping tournament player.

The TwinSpires development team combined original concepts with feedback from passionate horseplayers, and loyal tournament participants across the industry, for a [unique tournament experience](#).

"We are incredibly excited to bring Tournaments back to the home of horse racing at TwinSpires," TwinSpires Director of Loyalty and Retention Darin Zoccali said. "For nearly one year, our product, analytics, and marketing teams have put in a great deal of work to make this a reality, and we couldn't be happier to offer this product to our loyal TwinSpires customers."

Tournament play already includes Breeders' Cup Betting Challenge (BCBC) and National Horseplayers Championship (NHC) opportunities, and now the return of the [Kentucky Derby Betting Challenge](#) (KDBC). The first NHC opportunity for TwinSpires Tournaments players was held August 3, 2024 as a handicapping challenge that featured Ellis Park and a prize which included two guaranteed seats while eligible for NHC Tour points.

"We will offer cash tournaments, NHC and BCBC Qualifier events, and much more," Zoccali added. "At TwinSpires, we have led the industry in giving back to our players through our promotional offers, and we look forward to becoming the place horse racing tournament players come to play."

Real money handicapping tournaments feature dynamic leaderboards and visible ticket structures of others' wagers, enabling players to learn and grow. The supportive response from our players fuels TwinSpires' commitment to be the premier horse racing wagering provider in the United States.
