\$155,887 LATE PICK 5 CARRYOVER THURSDAY NIGHT AT TURFWAY PARK

FLORENCE, Ky. (Wednesday, Dec. 4, 2024) – Turfway Park’s Holiday Meet has already lived up to its reputation for massive payouts, and Thursday night’s Late Pick 5 will offer bettors a \$155,887 carryover to chase after no tickets correctly selected all five winners in Wednesday’s Early Pick 5.

Wednesday’s sequence produced winners with \$2 mutuels of \$8.54, \$88.94, \$4.86, \$35.32, and \$15.78, setting the stage for another exciting wagering opportunity in Thursday’s action. At Turfway Park, bettors can rely on consistency, as any Pick 5 carryover always transfers to the Late Pick 5, showcasing some of the evening’s featured races to anchor the pool.

Thursday’s Late Pick 5 begins with Race 5, a 1 ¼-mile maiden special weight at 7:55 p.m. (all times Eastern), featuring 12 fillies and mares plus two also-eligibles. It continues with Race 6, a \$5,000 conditioned claiming race for 12 older horses, and Race 7, a \$12,500 claiming contest with 11 geldings. The evening’s featured event, Race 8, is a 6 1/2-furlong allowance for fillies and mares with a full field of 12. The sequence concludes with Race 9, a \$7,500 maiden claiming race, also with 12 entrants.

Fans can watch and wager on the Late Pick 5, along with all of Thursday’s Turfway Park races, on TwinSpires.com. Live coverage of Turfway Park is also available daily on FanDuel TV.
